

Brian Shaw, CFM

Is a member of the Association of State Floodplain Managers (ASFPM), and a Certified Floodplain Manager. Brian graduated from Rowan University with a Bachelor's Degree in Marketing and holds the current position of Marketing & Technical Coordinator for SMART VENT Foundation Flood Vents. He has studied the science of Flood Mitigation and travels the country attending conferences and seminars educating on proper floodplain construction with an emphasis on code complaint flood vents. Brian works with architects, surveyors, code officials, builders, and insurance agents on a daily basis providing technical support on a wide range of flood related issues.
